

ARTIST ONE-SHEET · 2026/27

Atmospheric rap. South Florida energy. A live show built for the pit.

Harlem is a 22-year-old Miami-based artist whose music sits at the intersection of alternative hip-hop, melodic rap, fashion and visual storytelling. Originally from Georgia and shaped by South Florida, he pairs introspective writing with cinematic textures, bass-driven production and an expressive, crowd-first performance style.

WICK MODE

Harlem's #1 streaming record — 1,160 streams and climbing, prod. Tatsuya. First press: Folded Waffle review, October 2026. Also spinning: "Pop Off" (clean), the radio & mixshow record.
