"I make music people can play video games to." — HARLEM

HARLEM's catalog is cleared for your channel — free. Play it live, keep it in the VOD, clip the moment. We will never file a claim on a stream that follows the two rules below.

WHAT YOU GET

- Every track on HARLEM DELUXE (2025) and HARLEM HALLOWEEN 2 (2026)
- Live streams, VODs and clips — Twitch, YouTube, Kick, TikTok Live
- Royalty-free. No claim, no takedown, no fee.

One exclusion: "Driver Seat" is not cleared. Everything else on both projects is.

THE TWO RULES

1 · CREDIT
Put "Music: HARLEM · imharlem.com" in your panel or description. Tag @imharlem23 when you post a clip — HARLEM reposts the best ones.

2 · STREAMS ONLY
No re-uploading songs on their own, and no ads or brand deals. For sync, ads and everything else: bookingsforharlem@gmail.com.

License granted by Harlem & Denim, Inc. and I Am Harlem Music Publishing (ASCAP). HARLEM keeps his masters. You keep your channel.
